G. CHANDY,
51 *Chief Elecl. Engr.*

Notification dated 15th April 1953.

No. G.N. 1. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore-1, up to 3 P.M. on 30th April 1953, for the supply of the following, the terms of delivery being f.o.r., Bangalore.

1. Cast Iron straight joint boxes (centre line and split type) suitable for high tension cables operating at a voltage of 4600, the size of the cable being 500,000 c.m. (0.4 sq. in.) The cables are PILC, double steel tape armoured, jute served, and are being laid directly in prepared trenches. The boxes should be of robust construction as well as proof against fire and entry of moisture. They should be of approved standard design, suitable for making permanent joints in the abovementioned cables, laid in outdoor trenches. The boxes should be supplied complete with necessary jointing materials, such as paper-mica sleeves, insulated spreaders, insulating tape, lead sleeves, etc. The necessary armour clamps should also be included ... ... 20 Nos.

[A sketch showing the dimensions of the joint boxes offered may be sent along with your tender. It may be noted that preference will be given to quotations based on deliveries from ready stock. If ready stocks are not available, the earliest date by which supplies can be made may kindly be mentioned in your tender]

The tenderers should quote their best billing prices, which should be firm for a period of one month from the due date of the tender. The rate should be quoted both in figures and words. The earliest period within which delivery would be effected may be specified in the tender. The full specifications with all necessary technical particulars and names of firms manufacturing should be intimated.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the department for local purchases.

The tenders should be superscribed as "Tender for the supply of 20 Nos. Straight Joint boxes (centre line and split type) suitable for high tension cables operating at a voltage of 4,600, etc." to be opened on 1st May 1953.
